

The Yenepoya Institute of Arts,Science,Commerce and Management

Report on Earth day Celebration on 22nd April 2021

Earth Day is an annual event, celebrated on April 22. It was first celebrated in 1970, and is now coordinated globally by the Earth-Day-Network and being celebrated in more than 193 countries each year. In India Ministry of Earth Sciences and its Institutes are celebrating Earth Day on 22nd April every year. The Theme of this Earth Day during 2016 was “Caring Mother Earth”. On behalf of this occasion Yenviron Club of The Yenepoya Institute of Arts, Science, Commerce and Management conducted online competitions for students’ participants was coordinated by Faculty Co-ordinator Ms. Sharmila. P. Nayak and Mr. Niyaz.P of Yenviron Club which was generously supported by student-volunteers and student Co-ordinator on 22 April 2021, Thursday.

The students of YIASCM exhibited their creativity by making the best use of waste to create with waste glass wares for growing small plants in it has a green terrarium – the green gold of our earth. And also the students went out near their home for the winged beauties by making attractive bird feeders, that too with the waste tins, water bottles and cans available with them and sent the videos and Photos in online.

The Principal Dr. Parvadhavardhini Gopal Krishnan gave a message to celebrate each day as Earth Day , take care of the environment daily and be ‘Earth Day Warriors’ to save our unique planet from chocking.It proved to be a wonderful activity which was a great learning experience for the students.This task of project was formed in giving opportunities to come up with innovative ideas to conserve our Environment.
